

PENTAGON DODECAHEDRON

The **PENTAGON DODECAHEDRON** is an expression of the cosmic being: Creator and created being on its way. It is the geometric expression of Adam Kadmon, the Divine human being in its Divine perfection, and it embodies purity. It brings the high potentials of one's own soul into the here and now.

For this light crystal a small base of slate stone is supplied, which is suitable for placement, e.g. on the worktable.

For an additional charge, a basket of 925 rhodinated silver is also available to carry this product safely secured as jewellery.

ELYMARA crystals illuminate the individual light-essences of every person. The effects of these light crystals are versatile therefore we recommend to test the optimal product individually. Our consultants will be happy to assist you.
